UA has designated several classrooms and meeting rooms as virtual learning spaces for students who need a quiet place to participate in virtual learning while on campus. These rooms are across campus with schedules that vary by room. A complete list of rooms and times will become available this week on the Center for Instructional Technology’s website. Virtual learning spaces are subject to change at any time during the semester based on classroom space availability needs.

Students are asked to follow rules outlined on signage and exercise patience with UA staff who may need to come into the room for maintenance. Disinfecting wipes are available to clean the work surface. Masks and social distancing are required and students in the room must use earbuds or headphones.
TIDE TOGETHER SUPPORT FUND

The Tide Together Student Support Fund is an assistance program administered through the Division of Student Life that provides students with access to short term financial help in times of need. Due to the current public health crisis, many students lack the financial resources needed to travel home, to find alternate housing arrangements, or to simply afford food. Some may even lack the technical and digital access to take classes online. The Tide Together Support Fund provides a lifeline for these students.

To learn more about the Tide Together Student Support Fund, please visit https://bamacares.sa.ua.edu/student-assistance/emergency-assistance/.
