## ROOMS AVAILABLE FOR VIRTUAL CLASSES

More than 60 rooms are available on campus for students who need a quiet place to participate in virtual learning while on campus between in-person classes. These rooms are across campus with schedules that vary by room, but, in general, the rooms are available between 8 a.m. and 7 p.m., Monday through Thursday and Friday till 5 p.m. A list of room and times are [available on the Center for Instructional Technology's website](#).

Students are asked to follow rules outlined on signs outside each room and exercise patience with UA staff who may need to come into the room for maintenance. Disinfecting wipes are available to wipe down the work surface. As with the rest of campus, masks are required, and students in the room must use earbuds or headphones.

## TIDE TOGETHER SUPPORT FUND

The Tide Together Student Support Fund is an assistance program administered through the Division of Student Life that provides students with access to short term financial help in times of need. Due to the current public health crisis, many students lack the financial resources needed to travel home, to find alternate housing arrangements, or to simply afford food. Some may even lack the technical and digital access to take classes online. The Tide Together Support Fund provides a lifeline for these students.

To learn more about the Tide Together Student Support Fund, please visit <https://bamacares.sa.ua.edu/student-assistance/emergency-assistance/>.
